Today is a very quiet night
Both the wind and the birds are eyeing the moon

第19話 The Two Arctinaes

SO? WHAT DID YOU WANT TO TALK ABOUT?
Yeah
I have something I want to ask you
SOME-THING TO ASK?

I'm begging you!
Your younger sister... her...
Give her back to me!

Why?
Why doesn't she remember me?
WAIT, WHAT'RE YOU TALKING ABOUT?
IN THE FIRST PLACE, I'M-
Just what...
have you done to her?
That she should forget about me...
Such a thing Such a thing never happened until now!
YUU?

She didn't notice me at all!
Even when I borrowed the body of an experimental animal and approached her.
It happened at that time too!
In the research facilities of Ishinkai...
Even on this island too!

You realize it too, right!?
She... Hasegawa Yume is...
my-
STOP!

THAT'S... I WANT TO HEAR IT
DIRECTLY FROM YUME.
UNTIL THEN...

SINCE I WAS MESSED INSIDE IN THE HEAD BY YOU,
I UNDERSTOOD VARIOUS THINGS

THERE ARE THINGS ABOUT YUME THAT I DON'T KNOW.
BUT, EVEN SO,
YUME IS STILL MY LITTLE SISTER.

SHE IS, MY PRECIOUS LITTLE SISTER
EVEN SHE SAID SO TOO
IT'S NOT A STORY ABOUT HANDING HER OVER
This isn't a daytime drama
In other words
You don't feel like handing her over?
THAT AIN'T WHAT I'M SAYIN'
.....?

I don't even know what you're going on about!
Siblings are family! A blood-related aunt
Guess it can't be helped
I'm still not getting it.
Don't you talk about men and women in a romantic relationship with "siblings"?
Ah !!! What're you smoking!?
I have no concept when it comes to "family"
Because it's always been just the two of us
We didn't need a reason to give ourselves a name.
Anata, watashi, kimi and boku.*

T/N: THESE ARE WAYS PEOPLE IN JAPAN REFER TO OTHERS AND THEMSELVES IN JAPAN IF NOT USING THEIR NAMES

So I was surprised to see her blend into human society
That's why they are creatures of interest to other people
We thought everything was food minus each other
!
YOU IS THAT
But that seems to be coming to an end
There are lots of things that I don't know since I became one with this body
I feel that I have so many emotions simultaneously to others
Humans are strange

Apparently.
I don't have anymore time.

So weak.. This body compatibility was the best
However I wanted to see you
one more time.

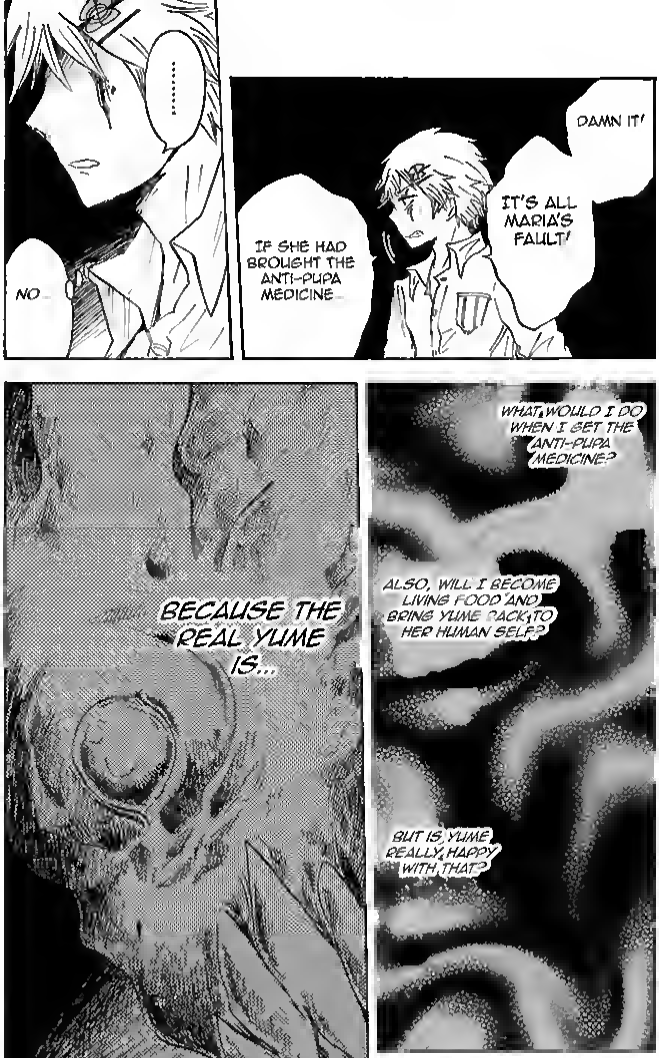
EH?
Hey Utsutsu kun
The emotions that I held for others for the first time Do you know what they were?
YUU
Envy
and Jealousy.

ザァァ…
ザァァ…

HH..
WHAT'S WITH THAT?
SAYING WHAT YOU WANTED TO SAY AND GOING AWAY LIKE THAT...
HE REALLY IS A SELFISH GUY.
IT'S COLD.
THE SEA OF THE NIGHT
LOOKS LIKE IT'S BEING SUCKED IN
Suddenly,

It made me feel like
I was left behind in this world

ARITA AND SHIGARAKI...
HOW ARE THEY DOING AT SCHOOL?
AHH THERE'S GONNA BE SO MUCH WORK AND EXTRA TESTS
WHEN WAS THE LAST TIME I TALK TO THEM IN THE FIRST PLACE?
SOMEHOW WE CAME REAL FAR
BOTH ME
AND YUME



.....
NO...
IF SHE HAD BROUGHT THE ANTI-PUPA MEDICINE...
IT'S ALL MARIA'S FAULT!
DAMN IT!
BECAUSE THE REAL YUME IS...
WHAT WOULD I DO WHEN I GET THE ANTI-PUPA MEDICINE?
ALSO, WILL I BECOME LIVING FOOD AND BRING YUME BACK TO HER HUMAN SELF?
BUT IS YUME REALLY HAPPY WITH THAT?

...AW, JEEZ!
WHY AM I
THIS TYPE OF GUY!?

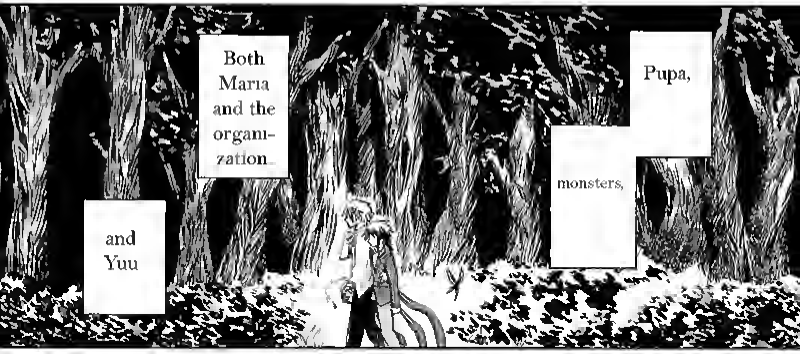
Utsutsu-kun?
What are you doing?
SO YOU'RE FINALLY UP NOW YUU.
I DIDN'T EVEN WANNA DO THIS

BUT YOU WERE ALWAYS LOOKING FOR YUME, RIGHT?
YOU TWO ALWAYS LIVED TOGETHER

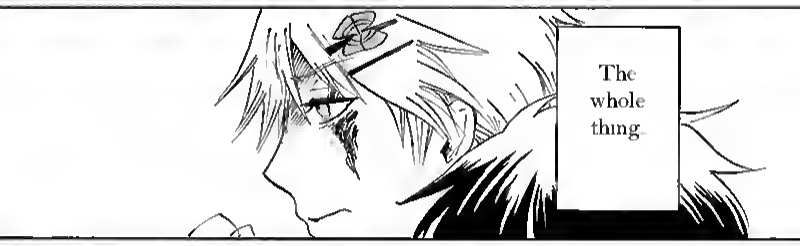
WHEN I HEARD THAT, I...
Ha...
BESIDES,
IT'S NOT LIKE I'M GETTING WHAT YOU'RE DOING
...?

IT'S CRUCIAL FOR YOU TO
BRING BACK YUME'S MEMORIES.
WHEN I FIRST MET YOU ON THIS ISLAND,
YOU TOLD ME THAT
THERE'S A WAY TO BRING BACK YUME.

Utsutsu-kun
You're
I wish
everything was a dream
SO FROM NOW,
I WANT YOU TO TRY IT.



Both Maria and the organization
Pupa, monsters,
and Yuu



The whole thing

An inescapable reality
That's why
But... this is reality.

I'M GOING TO FACE OFF
WITH REALITY!

ガバッ
ガバッ

Eh?
YUU, POUR YOUR MEMORIES INTO YUME

She's in a bad mood...
Apparently, it looks like she has an empty stomach
NO, IT'S RATHER CONVENIENT

LIKE YOU DID AT THAT TIME WITH ME

I WILL ATTRACT YUME
YOU GET CLOSE TO YUME IN THAT GAP
She's suspicious of me...
Do "that"? That's impossible!

IT'S OKAY
IT'LL DEFINITELY WORK
YUME!
WHAT'S WRONG? ARE YOU HUNGRY?

YUU!
THERE THERE
JUST HOLD ON FOR A MINUTE
THE BASE OF THE EAR HOLE IN THE CORNER
SHOULD BE HERE
ぴ…!?
れ…っ

IT'S FINE, YUME
GOOD GIRL,
GOOD GIRL

A LITTLE BIT
MORE...

ゴゴゴゴゴ…
YUMB?

EH?
Utsutsu-kun!!
